## ABOUT NEWPORT CALISTHENICS CLUB

Newport Calisthenics Club was established in 1932 and originally operated out of the Newport Baptist Church on Mason Street in Newport.

Newport has a strong participant base of over 80 families who attend the club, some across multiple generations. We are a competitive club and each section attends approximately 4-5 competitions each year. We have teams in sections from Tinies through to Masters, along with several members who also choose to compete in Solo, Duo, and Graceful competitions.

Calisthenics overall has grading's from Championship level through to Division 11. Sections at Newport Calisthenics Club vary, ranging from Division 2 through to Division 5.

NCC operates under the Newport Calisthenics Club Inc. Constitution and Rules, January 2019 as well as the NCC Policies and Guidelines Handbook. NCC is also guided by the framework of the Australian Calisthenics Federation.

These guidelines exist to ensure that everyone at the club has a clear understanding of their obligations, whether they are a competing member, parent/guardian, volunteer, or coach.

Our coaches are fully qualified, being Level 1 Coaches, meeting all Victorian Calisthenics Coaches Association and Calisthenics Victoria's requirements. NCC's Coaches also hold Level 2 First Aid Certificates and Working with Children Checks.

Our club is a not-for-profit organisation and is run by a volunteer-based Committee which is made up of members of the club

# AUSTRALIAN CALISTHENICS FEDERATION (ACF)

The Australian Calisthenics Federation (ACF) is the governing body of the sport of calisthenics in Australia. One of their main functions is to keep the standard and content of calisthenics consistent Australia-wide. This is especially necessary to allow all states to compete in national competitions which are held annually. Website: <http://calisthenicsaustralia.org>

## CALISTHENICS VICTORIA (CV)

Calisthenics Victoria is the recognised state sporting association for calisthenics in Victoria.

They are a member-based organisation, governed by a voluntary Board who oversee the strategic direction of the organisation.

The Board is elected at the Annual General Meeting, and includes: President, Secretary, Director of Finance, Director of Competitions, Adjudicator Representative, Coach Representative and up to four General Members who meet monthly and make decisions relating to the future direction of the sport. Volunteer committees coordinate a number of areas including the State Championships, Competitions, Grading and our talented Coaches throughout Victoria.

Calisthenics Victoria has an office in Oakleigh, with a team of committed staff who manage the day-to-day administration of the sport, volunteers, committees, clubs, coaches, performers, and their families, and works with a range of stakeholders outside the sport. Website: <http://calisthenics.asn.au>

## 2023 COMMITTEE

The NCC Committee is made up of competing members, parents/guardian, and volunteers and consists of an Executive and General Committee members. Positions on the Committee are elected annually at the Annual General Meeting (AGM).

Meetings are held on average once a month. All parents/guardians and members over 18 years of age, as well as the coaches are welcome to attend.

The committee is guided by the Newport Calisthenics Club Inc. Constitution and Rules, January 2019. This document can be found on the NCC Website or please contact the NCC Secretary to obtain a digital copy.

## What to Bring to Class

- Rods
- Clubs
- Practise Aesthetics Skirt (Excluding tinies section)
- Water bottle
- A healthy snack
- Props/Costumes when required

## What to Wear to Class

It is very important to be able to move freely during class and for Coaches to be able to assess and correct posture and movement. Loose clothing is not allowed as this can impede movement, cause problems when using apparatus, and cause injuries. Feet must be bare during classes and hair should be neat and worn up.

Appropriate clothing includes:

- Leotard (long or short sleeve)
- Leggings
- Stirrups
- Dance/bike shorts
- Cross over top

All items must be **BLACK**. Some of these items can be purchased via our on-line Merchandise store, dance stores or retail shops. All equipment must be sized correctly for each member by the coach at the beginning of the year and can only be taken home once the first fee instalment has been paid.

Rods, clubs and a practice aesthetics skirt can be purchased through NCC at the beginning of the year through our online store.

Please see the members fees policy on page 20 for more information regarding the hiring, purchase, and return of apparatus.

# ATTENDANCE

Regular attendance and punctuality are essential in any team sport, and it is expected at NCC for members of all teams. Without regular attendance it is difficult for the cohesive progress of the team and for the individual to keep up with the new work taught each week. **Practices may continue throughout school holidays (coaches discretion)**, but class times, days and venues may vary. Your Team Manager will notify you of any changes to classes.

Team members are asked to arrive approximately 10 minutes before the start of class to allow for class to commence on time. We do not encourage members to attend class if they are unwell. If you are unwell, or for any other reason are unable to attend class, or will arrive late, please notify the Coach and/or Team Manager.

Parents/Guardians and siblings are not to enter the hall during class unless invited in by the coach to ensure the teams can focus on their lesson and get through the work required.

As a duty of care, we cannot allow team members under the age of 18 to leave the hall on their own after lessons. If a parent/guardian has not attended practice, please ensure you come to the hall to collect your child at the end of their scheduled class time (do not wait in the car park).

## LOST PROPERTY

All items are required to be clearly marked with members' names. Every attempt will be made to collect lost property by your Sections Administrators and Coaches, however there is no responsibility taken for items lost.

At competitions and backstage, we strongly discourage participants bringing items of value. The rooms are very open and we cannot guarantee the security of any item left in these areas. Only bring these items on the proviso that it is at your own risk.

## MEDICAL EMERGENCIES AT CLASS AND COMPETITIONS

Medical conditions must be disclosed during the registration process. Where required management plans must be uploaded during registration or a copy emailed to the secretary ([admin@newportcc.com.au](mailto:admin@newportcc.com.au)) and a copy will be provided to the section's coaching team.

If an insurance report is required, refer to the policies and procedures handbook or contact your Team Manager.

Medical clearance must be provided before a member can return to active engagement in class, performance or competition. Medical clearance certificates should be emailed to the secretary ([admin@newportcc.com.au](mailto:admin@newportcc.com.au)).

  - All purchases through the club must be paid in full in order to receive the apparatus

For members engaged in the end of year ACF skills program, they will hold onto their apparatus and return them to the coach once their exam concludes.

# COMPETITIONS

- All sections compete in competitions each year from approximately July until October.
- Each section will generally attend 4-5 competitions per year, competing against similar graded clubs from the same age group.
- **Competition dates are not advised by Calisthenics Victoria until late May or early June.**
  - The competitions are located within the Melbourne metropolitan area (e.g., Burwood, Broadmeadows, Forest Hill, and Geelong). A yearly competition is also held at Ballarat.
- **Competitions are a compulsory requirement for Calisthenics.**
  - Non-attendance does affect the performance and its members on stage as it will change the choreographed patterns and partner work and the team may incur a 5-point deduction per item.

## Prior to Competition Arrival

- Members need to arrive at competitions at least one (1) hour prior to commencement.
  - This allows time for the Members to have make-up applied and warm-up/practice.
  - Members will need to wear bodysuits or flesh coloured underpants under their leotards. These can be purchased from dance shops.
- Members are required to have foundation and leg tan (as specified by Section Coach) applied prior to arriving at competitions and all jewellery and nail polish needs to be removed.
- The coach will inform you as to how they would like hair to be styled, which again needs to be done prior to arrival.
- At competitions, all competing members are required to arrive and depart from competitions wearing the Newport Calisthenics Club uniform, which consists of the NCC Club Jacket and Polo, black dance pants/black leggings, and plain black shoes.
  - Only during the competition and at either a lunch or dinner break can members wear alternative NCC merchandise such as a hoodie, onesie, vest etc.

## At Competition

- Coaches and Assistants will apply all make-up aside from foundation and mascara. Some sections may be required to wear fake eyelashes; this will be specified by your Section Coach.
- The coaching team are the only helpers allowed in the dressing rooms during competitions.
  - ALL parents/guardians who enter the dressing room to pick up or drop off their child will be required to complete a Working with Children Check.
  - You are able to get this check free of charge by going to [www.workingwithchildren.vic.gov.au](http://www.workingwithchildren.vic.gov.au). Please arrange this before the end of May, as the card can take up to six weeks to arrive and you will need to have it prior to the first competition date or be asked upon entering the rooms.
- All Members within the Club attending competitions are required to pay their own entry fees.
  - These fees vary from competition to competition.
  - Most competitions require you to pay cash on the day and some competitions offer an online payment option which often involves a discount for entry.
- At times our Club may be asked to arrange a door person to assist at competitions. The Club would appreciate support from anyone who can help out on the day.
- Each venue may have varied rules and all members **MUST** adhere strictly to these rules.
  - We ask if you take children/siblings with you to competitions to watch our members perform so that they do not run around the auditoriums and show respect for the other teams performing on stage.
    - Should your children become loud and restless during competition we ask that you take them into the foyer area so the Members performing are not distracted.
- Members who are performing are not allowed to enter the auditoriums unless the coaches have given their approval, and at all times outside the dressing rooms competitors must wear their NCC merchandise as well as covering their legs and feet.
- Together with Calisthenics Victoria, NCC promotes healthy eating. We encourage all members to bring along healthy food options to competitions.
  - Please be mindful that due to time restraints it may be impractical for Members to join family and friends during the break, we ask that you please be respectful of this.
  - Please ensure whilst your child is eating, whether it be inside or outside the dressing room, that their costumes are covered either with a dressing gown, blanket, or NCC Merchandise.

## Competition Etiquette

We ask all Members, parents/guardians and supporters to please abide by the following;

- Observe and obey theatre rules on where you can eat or drink.
- Show respect for those volunteering their time to help the competition run smoothly, such as door people and marshals and obey their rules.
- Respect participants and fellow audience members by not talking whilst teams are on stage.

- Give recognition to all teams who perform on the stage, but NO TEAM CALLING. We don't want the adjudicator to know which teams are competing.
- Be quiet around the stage area, as you can be heard from most dressing rooms and in the audience.
- Keep all your belongings together as there are others using the dressing room. Personal items and valuables should be left with parents/guardians or with a representative of your club. (Calisthenics Victoria and its ancillary organisations/committees and theatres take no responsibility for any losses)
- Stay in the theatre for all speeches and aggregate presentations.
- Clean and tidy the dressing rooms at the completion of competitions.
- Do not talk to the Adjudicator, writers or timers during the competition, even if you know the person.
- All electronic devices are to be switched off in the theatre.
- Do not move around the theatre during performances.
- Observe all Smoke Free designated areas.

## For Competitors

- Wear NCC uniform to and from competitions
- Do not lean or press against the walls when wearing leg tan or lipstick.
- Competitors shall not sit in the first two rows of the theatre.
- Do not verbally criticise your fellow competitors or the Adjudicator.
- For the comfort of those around you refrain from walking around backstage in your body suit.
- Pants and shoes should always be worn in the theatre.

# ACF CALISTHENICS SKILLS PROGRAM (SKILLS EXAMS)

Developed by the Australian Society of Calisthenics in 1979 to raise the standards of Calisthenics and to unify terminology and technique, the Calisthenics Skills Program has now been implemented Australia wide. ## Leaving The Club

We understand that calisthenics may not be for everyone. We ask however, that before leaving the club you consider that this is a team sport and that we are all working together toward the common goal, to perform on stage at 4-5 competitions and also at our clubs annual concert, all of which are held from the start of July to the end of November each year.

**All departing members must officially write to the NCC Secretary to notify the Club of their withdrawal of membership via email:** [admin@newportcc.com.au](mailto:admin@newportcc.com.au)

It would be appreciated if departures could be timed (where possible) early in the season before the routines are set, or after the team has competed at competitions and the NCC Annual Concert. This will minimise the impact on the team and the Coach and would be greatly appreciated.

Please discuss any outstanding fees with the Treasurer prior to leaving the Club. All goods and items hired from the club must be returned in good order as decided by the Costume Coordinator.

Where members may have suffered an injury, or are pregnant and are unable to complete the season, please contact the Treasurer to finalise fees.

Whoever pays the fees will receive the Competition Medals, Club Awards and/or a Year of Service.

- Fees must be paid in full by both members if they both wish to receive Competition Medals, Club Awards and/or a Year of Service.

All apparatus, equipment, costumes and property of the club must be returned on the day of departure.

## Formula

The following formula will be used to determine any outstanding fees and costume costs;

- Total Fees / 40 weeks = weekly fee
- Weekly fee X Number of weeks attended = fee amount due
- Calculated fee amount due + costume costs\* + other costs\* = total amount payable

\*Costume costs will be calculated based on **ALL** expenses incurred up to the date the NCC Secretary is officially notified in writing that the member is officially leaving, which are not included in the fee amount. All costs related to, but not limited to, sewing fees, materials, sheer, rhinestones, sequins, and more will be included in the formula.
